THE SQUADRON 53 A DESIGN MASTERPIECE

Let it be said with undeniable certainty that nothing was left to chance when it came to designing and building the Squadron 53.

Every precisely-placed curve, every elegant edge, every understated shade of colour has its place in the grand scheme of things. And simply because absolute attention to detail and a genuine appreciation of quality go hand-in-hand.

For us, painstakingly handcrafting an object of luxury such as the Squadron 53 is a matter of personal enjoyment and inner satisfaction... both ours and yours. In fact, you have just to run your hand over the perfectly matched grain of the 53's woodwork, or take in the graceful arch of its swept flybridge, or immerse yourself in a space so thoroughly considered to know it's all true.

ALBERTO MANCINI'S VISION FAIRLINE'S LONG-STANDING HERITAGE

When we embarked on our new design vision for the Squadron 53, we made a conscious decision to be bold. We even dared to reimagine the classic Fairline form in collaboration with one of Italy's most exciting yacht designers, Alberto Mancini. But we never did so at the expense of our uncompromising, engineering heritage.

Which means every feature on the Squadron 53 – whether you can immediately see it, or not – has been carefully thought about and assembled with the entire yacht in mind.

In the foreground, there is a table with a silver teapot and a cup. The background shows the ocean and a sunset sky. The text "DESIGNED TO TAKE YOUR BREATH AWAY" is overlaid on the left side of the image.

EVEN OUR DESIGN SCHEMES HAVE A DESTINATION IN MIND

In the spirit of building the perfect yacht at every possible level, we have also carefully created four different interior design schemes for you to choose from:

Amalfi

Inspired by Liguria's local architecture, this scheme exudes the sunny warmth synonymous with fragrant Italian lemon trees and the umbrella-lined shores of the Amalfi Coast.

Capri

Understated, earthy colours, effortlessly combined with rich natural textures. All the hallmarks of an interior design collection that is as gentle as the Mediterranean breeze.

Hamptons

Evoking elegant vintage design cues, whilst offering a bold and contemporary interpretation of the luxury that was once the preserve of America's East Coast.

St. Tropez

An ode to the sea where all manner of deep, oceanic blues tastefully swirl with muted greys, delicate creams and classic nautical motifs.
