

A man with short grey hair, wearing sunglasses, a white long-sleeved shirt, and tan trousers, is sitting on the edge of a boat. He is barefoot and holding a green hat. The boat is white with a dark blue hull. The background is a sunset over the water, with a warm orange glow. The boat has a black canopy and two round lights on the side.

COBALT BOATS

R33 OUTBOARD

*R33* OUTBOARD

## Bigger. Better. Faster.

Luxury never felt so exhilarating.

To provide day boaters with even more comfort and room, Cobalt presents an outboard 33-footer hybrid bowrider with mid-cabin – The R33 Outboard.

Offering sleek lines, agile handling, superb performance and advanced appointments, the R33 Outboard – the running mate to the R33 Sterndrive – is another yacht-certified example of bigger being better and faster: Driven by up to three Yamaha or Mercury outboard engines generating up to 900 horsepower.

The R33 Outboard continues Cobalt's trend toward contemporary design, with its deeper cockpit and greater freeboard, which in turn enable a more spacious interior and larger bow and cockpit areas. Along with such standard amenities as a Garmin glass cockpit with multiple touchscreen displays, ultra-fast USB-C charging stations, 42 (!) cup holders, a wealth of storage space, and a cabin that accommodates sleeping as well as seating, the R33OB offers the option of a side-entry door to make dockside access more convenient. Unique to the R33 series is the industry's first Harman Kardon premier marine audio system with Digital Signal Processing – a Cobalt exclusive – and a Seakeeper gyroscopic stabilization system.

In addition to an array of color configurations, functional options include a choice of L-seating or a galley, a removable Ice Mule soft-sided portable cooler, a solid teak dinette table, even larger 12" Garmin display panels, stainless steel LED docking lights and RGB accent lights. Also available are a smart TV for broadband streaming; 'Fresco Chil' upholstery that reduces temperatures by up to 20° F. on dark surfaces; a dash-mounted mobile phone cradle with wireless charging; an intuitive joystick docking controller; teak flooring for the cockpit, cabin, head and swim platform; and the first one-touch, all-electric planar folding tower and sunshade.

Along with innovative technology to enhance the day boating experience in any type of water, the R33 Outboard features advancements in design, luxury, convenience and overall performance. Offering coastal and ocean boaters the chance to enjoy a smooth, stable ride and triple-engine power in a high-quality Cobalt package.

COBALT BOATS

*R33* OUTBOARD

Engineered for performance, style for pure enjoyment.

Being fast is merely a bonus.

SPECIFICATIONS

Length Overall w/o Engines	33' 4"	10.16 m

## Service that defines luxury.

Customer-Inspired Innovation.

Inspired by and for our discerning customers, Cobalt has always sought to more performance, more luxury, more comfort and, above all, a more memorable boating experience.

In keeping with this goal, Cobalt has since its inception set the standard by which day boats are measured, to help ensure that your time on the water is everything you expect it to be. Here are just a few of the many thoughtful advances we've pioneered:

- ☞ The new Cobalt side-entry door, introduced on the R33
- ☞ The first boat brand to offer a Harman Kardon audio system, introduced first on the R33
- ☞ The new Seakeeper for Cobalt, the industry's best-in-class gyroscopic stabilizer that eliminates 95% of boat roll
- ☞ A dedicated storage pod for a Yamaha Seascooter underwater propulsion unit
- ☞ The Cobalt flip-up seat bolster, for better views over the windshield
- ☞ Cobalt's advanced bimini top adjustment system of stainless steel poles and a built-in turnbuckle, to eliminate the need for cumbersome fabric straps

## STANDARD EQUIPMENT

### Dash and Instrumentation

Compass, Digital  
Composite Helm Eyebrow, Custom Stitching  
Depth & Water Temp Gauge Pkg.  
Glass Cockpit, Dual Garmin 8610  
Hour Meter(s)  
Premium Leather/SS Steering Wheel  
Stainless Steel Switches  
USB/USB-C Receptacle Charger

### Exterior

Anchor Locker  
Bow Scuff Plate, Stainless Steel  
Extended Running Surface  
Graphics, Molded-In Gelcoat  
Motorbox Actuator  
Ski Tow - Stainless Steel  
Sky Light (Head Compartment)  
Transhield Shipping Cover  
Windshield, Stainless Steel  
Cleats (Bow, Midship, Stern)  
COBALT Lettering, Chrome Backlit

### Interior

Aft Walk-Thru Carpet  
Bench Seat Storage  
Bow Walk-Thru Door  
Carpet, 40 oz., Snap-In w/Neoprene Back

Shorepower, 220v

# Your Personal Voyage of Discovery.

America's Boat-Building Experts.

As our owners have known for more than 50 years, there's nothing quite like a Cobalt. Their high standards have led us to excel in every way we can to keep them satisfied, as well as to keep them coming back for an even more satisfying boating experience.

As a result, our ongoing commitment to performance, luxury, innovation and overall excellence has made Cobalt owners passionate about their boats, and welcoming to the other boaters in the Cobalt family who share their values.

That commitment is shared as well by the team of boat designers and builders in Neodesha, Kansas, who work to ensure that every innovation, feature and capability meet the high standards our customers expect, and that the Cobalt promise – Experience Extraordinary – is fulfilled in every Cobalt model.

# The Cobalt Transferable Warranty.
