OPEN TO EVERY ADVENTURE

# BUILT FOR SPEED, DESIGNED TO THRILL

## Created with adventure in mind

The Targa 50 OPEN is a thoroughbred amongst its peers, designed for speed and all out thrills with sweeping, aerodynamic lines designed to cut effortlessly through the water and air.

However, its blistering performance, thanks to twin Volvo IPS 650 or 700 engines, doesn't come at the expense of luxury. The effortlessly smooth open-plan main deck is designed for entertaining and features sumptuous Italian leather and carefully considered high and low-level lighting. Add to this the uninterrupted views from the spacious cockpit, and the sky is quite literally the limit when it comes to your next adventure.

# AT ONE WITH NATURE, A NATURAL BORN ENTERTAINER

## THE FINAL WORD ON LUXURY, IS YOURS

Our passionate team of interior designers have spent years refining and perfecting a set of themes and colour schemes to subtly compliment both your life on land, and on sea.

Perhaps you will fall for the warm, rich yellows that nod gracefully to the sun-drenched lemon orchards of Sicily, or the deep oceanic blues with gentle swirls of muted greys that sing in perfect harmony with the very sea itself?

Whatever your preference, you'll know our themes and palettes have been created to stand the test of time.
